

# “Kissing Hand” Share Chair

## Color Images for Decoupage

- Save PDF file and print out on a commercial laser printer (i.e., Kinkos, Office Max, etc.)
- Cut out raccoons in the images below, and decoupage to chair as directed on Mod Podge bottle.
- **DO NOT** use inkjet printer images for decoupage—they will smear.

Based on characters from “The Kissing Hand” by Audrey Penn.
